Dear Madam:

In reference to your letter dated July 14, 1987, regarding the Sanitary Landfill Company (IWD) Site in Moraine, Ohio, I submit the following information as I am aware.

My company's name is Clark Processing, Inc., which is located at 300 S. West End Avenue in Montgomery County, Ohio. The location was purchased from Clark Oil Products, Inc., in November, 1986. We notified the U.S.E.P.A. of the change in ownership in January, 1987.

However, as your letter is addressed to Clark Oil Company, that company has not operated at this site since October, 1980. On November 1, 1980, the assets of Clark Oil Company were sold to Clark Oil Products, Inc., and the facility operated under that name until November, 1986.

Furthermore, the only specific information that I can supply (which is enclosed) is a copy of a 1983 contract issued by IWD to Clark Oil Products for removal of trash, garbage, and refuse. Secondly, I have included a billing statement to our present company for the same service, dated July 20, 1987. To the best of my knowledge, this identifies my company's only relationship with IWD. Additionally, there is no evidence from these documents as to the location for the disposal site by IWD.

I trust this information fulfills your request. If additional information is needed, I will be happy to assist.

Sincerely,

Roger R. Randall - 08-13-87
